**Country music star
Joe Nichols is coming to
Freedom, WI on
Friday, June 10, 2022**

Joe Nichols has been a mainstay of country music for two decades, bridging the gap between the genre's old-school roots and contemporary era. He's a 21st century traditionalist — an artist who's both timely and timeless, racking up six No. 1 country hits to his credit including "Brokenheartsville" and "Gimme That Girl;" and ten Top 10 singles including "If Nobody Believed in You," and "What's a Guy Gotta Do." From his first radio smash, 2002's "The Impossible," to 2021's "Home Run," Nichols has proudly done things his own way, blurring the boundaries between country music's past and present along the way.
